

Camp at the Farm this Summer

Once upon a summer day, campers set off on an adventure... Ages: 4-10

Farm Camp

June 1st, 2nd and 3rd 9am to 1pm **\$175.00**

Looking for a summer camp that gets kids outside, active, and learning by doing? At Farm Camp, children care for animals, plant and harvest crops, explore nature, and build confidence through real farm experiences—all while having a blast.

Dino and Fairyland Camp

June 8th, 9th and 10th 9:00 am to 1 pm **\$ 175.00**

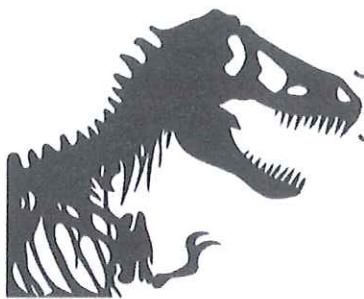

June 29th, 30th, and July 1st 9:00am to 1pm **a week**

Dino or Fairy Camp is a playful, imagination-filled camp where kids have the opportunity to explore some amazing worlds—prehistoric dinosaurs or enchanted fairy lands. Each day includes hands-on activities, outdoor play, crafts, and storytelling adventures.

Dino Campers will become dinosaur explorers, digging for fossils and tracking ancient creatures near the farm creek.

Garden Keepers will enter the Butterfly Meadows near the creek and build tiny gardens, create some beautiful wings, and create magic in the forest.

At Dino & Fairy Camp, imagination leads the way.
